ELEVATION 2368 m

DATE OF DESCRIPTION 2003

DESCRIPTION Station is located 7.35 mi north along Lake Junction-Canyon Junction Road from the junction at Fishing Bridge (or 12.8 km (7.95 mi) south from Canyon Junction), at a small bridge over Elk Antler Creek and in the center of the northeast headwall of a masonry culvert. The bench mark is a standard disk, stamped E-11 A 2 1934 – 7691.548, set into a drill hole in the top of a road and masonry bridge headwall projecting 41 cm above the road surface, 5.43 m (17.8 ft) north-northeast from the approximate center of paved road and 3.29 m (10.8 ft) northwest from a fiberglass highway reflector post.

Looking northwest along highway at “Elk Antler Creek” sign (for north-bound traffic), pullout, and bench mark (beneath person).

Close up of mark.

Looking southeast along highway at “Elk Antler Creek” sign for south-bound traffic and bench mark (beneath person).
